

Best Summer Ever-Homeschool Edition

Week Eight

Spirit

Read Philippians 4: 6-7 and write it down in your journal this week. During your homeschool journey, turn to the Lord in prayer for everything you need!

Husband

Shower your husband with some extra affection this week. Thank him for supporting you in homeschooling your children.

Children

Take your children out for ice cream and talk about the upcoming school year. Explain how you are all embarking on a very special, yet difficult, thing this year.

Home

July is almost over! Deep clean all of the bathrooms this week.

Get Ready

Go through your new curriculum. Create needed binders, cut-out necessary items, and familiarize yourself with everything.
