Husband

☐

Text your husband and tell him "thank you" for something specific he does regularly. Tell him how happy you are that you married him!

Children

Create a Summer Bucket list poster with your children. Ask each child to contribute ideas. Post it somewhere in your home and then use stickers to check off a completed activity.

Home

Play praise and worship music in your home this week instead of having the television on. You will be surprised how soon everyone will be singing to the Lord throughout the day.

Personal

Exercise 3 times this week

☐

Connect with your prayer partner this week and make it a priority. Plan to pray together for 10 minutes.
