

Names of Jesus

Learning about all the names of Jesus throughout the bible is a powerful tool to help our kids see that Jesus has so many amazing qualities. Knowing who He is, helps them to be able to come to Him and know He can help in their time of need.

How To Do This Activity:

On the next page, there are 10 ornaments you can cut out and string with whatever you have on hand. Have your kids help you! You can do this activity over one night or space it over 10 nights. Tell your kids you are going to be telling them all about who Jesus is and all He is to us! After you read one of His names, read the verse that goes with it from the Bible. Take a moment to end with prayer, thanking God for that attribute of His character. Then hang it on the tree!
