

Love YOUR Children ~ CHALLENGE ~

Day 3

UNCOVERING GOD'S GIFTS: GUIDING YOUR CHILDREN TO THEIR GOD-GIVEN TALENTS

BY: LAURA CARLSON

“Love the Lord your God with all your heart and with all your soul and with all your strength. Impress them on your children. Talk about them when you sit at home, when you walk along the road, when you lie down, and when you get up.”

~ Deuteronomy 6:5-7

Mama, you have a front-row seat to witness the incredible gifts and talents God has placed inside your children. As their mother, you get to partner with the Holy Spirit in drawing out these gifts and helping your kids understand who God made them to be. It's a privilege, but sometimes it can feel overwhelming. Remember, you don't have to do it alone. God has placed you in this role, and He will guide you every step of the way as you nurture and celebrate the unique qualities in your children.

The world will try to distract and discourage your children, but as their mom, you have the powerful opportunity to speak life over them. Your words carry the ability to build them up, call out their strengths, and help them see the gold that God has deposited in their hearts. Each day, ask the Holy Spirit to reveal to you the gifts and talents He has placed inside your child, and take the time to affirm and encourage those qualities.

FAITH-FILLED IDEA:

Start each morning by speaking words of affirmation over your children, acknowledging the gifts you see in them. Whether it's through a prayer at breakfast, in the car, or before bedtime, highlight specific things they did well and celebrate who God made them to be.

Consider writing a note or even organizing a small family ceremony to honor the gifts you see in your child—this simple act can powerfully encourage them to walk confidently in their God-given purpose.

PRAY WITH ME...

Lord Jesus, I love you, and I am so thankful You hear my prayers. Help me never lose hope when I don't see answers right away when I pray. Help me to stand firm in my faith and keep praying. Help me start building my own prayer binder so I can see my prayer journey as a mom and how faithful You have been. In Jesus' Name, Amen.
